Parking

If you stay less than an hour-and-a-half at KLM Health Services, you can park in the parking spaces designated with blue lines which are to be found all over Schiphol-Oost. You will, however, need a parking disk. You can park all day in the pay-as-you-park parking area on the other side of building 133. You can access this parking area via the Thermiekstraat. From this parking area you can walk through the Collistraat to get to building 133.

By bike

You can reach Schiphol-Oost from a number of cycle paths. You will find bike stalls on the opposite site of building 133. You need to have your own lock to lock either your bike or the bike stall.
